PARIS, BOURBON COUNTY, KENTUCKY, FRIDAY, JULY 21, 1922

APPELLATE COURT SUSTAINS PARIS WATER COMPANY

The temporary injunction issued against the Paris Water Company at the instance of Sheriff M. Peale Collier, in the Bourbon Circuit Court, June 28, last, restraining the company from shutting off the water of those citizens who declined to pay an advance of approximately 33 1-3 per cent, was dissolved Tuesday in a memorandum opinion of Judge Augustus Thomas, of the Court of Appeals. Judge Thomas sustained the water company's motion to dissolve the injunction and the case will be heard later on its merits.

"It is neither alleged nor shown that the water company is insolvent," says the opinion, adding that, "the presumption is that it is solvent. If so, the short time consumed in having the question determined on a final submission will discommode the citizens but little, and the accumulated excess of the rates demanded over and above the contract rates will be small and the relative rights of the parties can easily be taken care of in a final judgment."

"Temporary injunctions should not be issued unless great and irreparable injury will result, and if it be true that the company has the right to charge the increased rate, if furthermore has the right to shut off the water from the premises of anyone who refuses to pay them."

Judge William Rogers Clay, the only other member of the court there, concurred in the opinion.

BOURBON BOYS FOR MILITARY TRAINING CAMP

More than a hundred young men from Central and Eastern Kentucky have been selected for the citizens' military training camp period of one month, beginning August 1, according to a list received from the war department. Transportation from their homes and subsistence and uniforms while they are in camp will be furnished.

The following boys from Bourbon county are included in the number: Houston Jacoby, Hiram M. Taylor and Craig B. Tucker.

LOCAL MAN TREASURER OF SEED ASSOCIATION

At the recent meeting of the Blue-grass Seed Growers' Association, held in Lexington, John W. Jones, of Bourbon county, was elected to the position of treasurer. Other officers elected were: T. W. Brock, of Clark county, president; Robert Beatty, of Fayette county, vice-president; Clark Patterson, of Mt. Sterling, secretary.

The executive committee of the Association met at Winchester, with the Paris and Winchester cleaners, and entered into an agreement for the prompt handling and marketing of the association seed, by the cleaners on a reasonable basis. The perfecting of this agreement has called for a number of meetings which have resulted in making a contract agreeable to all.

This will make an efficient and most business like arrangement for marketing the association's seed, as these cleaners are prepared and equipped to handle and clean the seed and prepare it for the market, and their services in selling it will be most valuable to the association, considering their knowledge and rapid strides in arranging its business and gives promise of large results for the Blue Grass seed business in Central Kentucky. This means much for the prosperity of this section of the State, and stands second only to the tobacco organization in importance.

ORDER YOUR BLACKBERRIES

Don't wait until they are all gone before you place your order. Order to-day and you will get them as soon as possible.

C. P. COOK & CO

LON CHANEY, IN "THE ACE OF HEARTS."

Lon Chaney, whose remarkable performance in "The Penalty" will go down in the history of motion picture production, as an extraordinary physical as well as histrionic achievement, plays the lead in "Ace of Hearts," a Gouverneur Morris picture, coming to the Alamo and Grand, Monday afternoon and night. This is the third picture made by Goldwin in which Chaney has played and it marks one of his biggest successes since "The Miracle Man."

It is a pleasure to sell Tanlac, because those who buy it come back and praise it. Tanlac is sold by all good druggists. (adv)

PROMINENT ALABAMA EDUCATOR SPEAKS HERE

Philander P. Claxton, president of the University of Alabama, and former United States Commissioner of Education, delivered an address yesterday afternoon at 2:30 o'clock to the students of the Bourbon County Normal School, in the High School Auditorium.

President Claxton is one of the foremost educators in America. His address was an inspiring and interesting one, and was heard with the greatest interest by a large audience composed of pupils, teachers and citizens of the city and county. In the forenoon, Prof. W. E. Freeman, of the University of Kentucky, delivered a splendid address to the teachers and pupils.

JOINS CAMPING BOY SCOUTS

William Jordan, son of Mr. and Mrs. Dan Jordan, of Paris, joined the detachment of Lexington Boy Scouts who went to Michigan on a camping trip Monday. Young Jordan will spend his summer vacation in this way, and expects to be up in the front rank among the Scouts.

More people have taken Tanlac and praised it than any other medicine in the world. There's one reason only—merit. Tanlac is sold by all good druggists. (adv)

THE STRIKE SITUATION

An appeal was issued from Washington by the executive council of the American Federation of Labor to "all workers everywhere to support the railroad workers in their efforts to secure a just settlement of the railroad shops trades dispute."

The appeal which was issued by unanimous vote of the executive council and over the signatures of all members of the council, including Samuel Gompers, federation president, has been forwarded to every labor organization in the United States, to every labor publication and to all organizers of the federation, it was announced at federation headquarters. Organized labor is asked specifically in the appeal to refrain from doing any work formerly done by men now on strike, while the strikers are urged to conduct themselves in a lawabiding manner.

Chairman Ben W. Hooper, of the labor board, announced peace negotiations to end the shopmen's strike were halted by refusal of the railroads to return seniority rights to strikers, although agreement was reached on the four other points at issue.

Railroad executives in a statement defended their stand in protecting the seniority of employees who have remained at work during the strike and those who have taken the places of strikers.

E. F. Garble, head of the main tenance of way union, made public a letter from President B. M. Jewell, of the shopmen, upholding the maintenance of way men in their decision not to strike.

Samuel Gompers, president of the American Federation of Labor, called on all workers everywhere to assist the shopmen in their strike.

Over 7,000 clerks on the Chicago and Northwestern road await result of conference with rail officials before walking out.

The failure of all efforts to bring about the settlement of the country-wide strike of the railway shopmen was announced in a statement issued by Ben W. Hooper, chairman of the United States Railroad Labor Board.

"As there does not seem to be any probability of reconciling the antipodal views of the carriers and the men on the question at issue, neither the labor board nor any of its members are now engaged in any further efforts along that line," the statement said.

At the same time, the statement pointed out that a virtual agreement had been reached between the rail heads and the strike leaders on all the points in dispute except that of the return to the strikers of their seniority rights, an incidental question which was not originally in dispute between the roads and their men.

Railroad executives, through the western presidents' committee on public relations of the Association of Railway Executives, issued a statement corroborating Chairman Hopper's statement that no further peace conferences were being held and that the seniority issue was the principal stumbling block.

PUBLIC SALE OF HOME

A desirable home at public auction on Tuesday, August 2, at 2:00 p. m. Property of Mrs. E. L. Kenton, 234 Lillieston avenue, Read ad. HARRIS, SPEAKES & HARRIS. (21-3t)

COLORED NORMAL SCHOOL

The Bourbon County Summer Normal School is being conducted in the colored city schools of Paris. Superintendent J. M. McVey's lectures are interesting to the teachers, many of whom are from adjoining counties. During the absence of Julia C. Wrenn, who is taking a special course of study in Chicago, the physical education period has been under the direction of Miss Grace Cruickshank, playgrounds director of Paris. The teachers of the summer school are specialists, and a strong program of school work is being put forward.

The large and modern Tanlac Laboratories at Dayton, Ohio, occupy 60,000 square feet of floor space. Tanlac is sold by all good druggists.

BASE BALL

YESTERDAY'S RESULTS

Cynthiana 5, Paris 1.
Maysville 2, Mt. Sterling 1.
Winchester 3, Lexington 3—game called.

SATURDAY'S GAMES

Paris at Maysville.
Cynthiana at Lexington.
Winchester at Mt. Sterling.

The first week of the new schedule of the Blue Grass League was considered a success from all standpoints. The Saturday afternoon contests which were added to the series have proved very popular and it looks that the six club circuit will pull through the season in good shape.

Baldwin Woods, of the Mammoths, is fastest runner on the team, in circling bases, as demonstrated in a recent contest. During a practice meet a wager was made and ten players attempted to lower the mark made by the local outfielder. The following results were made: Woods, 14½; Mann, 15; Nippert, 15¼; Parsons, 15½; Wunker, 15½; Wills, 15½; Ciconia, 16; Brockman, 16.

The captains, managers and players of the teams composing the Church Base Ball League, of Paris, and the members of the official board of the League, held a conference and business meeting last night at the Y. M. C. A., at which a number of important business matters were discussed.

A sport writer, in the Winchester Sun, protesting against the lack of teamwork, and proper support of pitchers by the Winchester team says:

"There is no excuse for the kind of club that Winchester has at present, as the management has time and time again refused to get players of class, that would strengthen the team and make it one of the best in the league. * * * Not only Monholland, but Miner, now of the Paris club, also wanted to be with the Winchester club, but like Monholland, he was refused a try out here and now he is on a par with Monholland, when it comes to pitching, and has handed the Winchester club a defeat every time he has faced them since the start of the league. The latest defeat was on Sunday when he defeated the locals by a 3 to 1 tune."

ANNUAL TOURNAMENT STATE TRAPSHOOTERS' LEAGUE

The annual shooting tournament of the Kentucky Trapshooters' League began Wednesday on the Hilltop Gun Club grounds, on the farm of Alfred Clay, near Austerlitz. Many of the most prominent trapshooters of this and other States are in attendance. The tournament continued through yesterday, when it was expected the State championship for amateurs would be decided. Free transportation from Paris to the grounds was provided for the participating shooters by Secretary Rudolph Davis, of the Bourbon Gun Club. Tuesday afternoon was devoted to practice shooting.

In the chief event for the opening day Woolfolk Henderson, of Lexington, was high man, at 150 targets, he breaking 149. Ben D. Goff, of Winchester, was second, with 143, and the third honors were divided between Amos Turney and J. C. Kenney, of Paris, and A. B. Harris, of Louisville.

Miss Georgiana Hobson, of Bowling Green, won the Kentucky championship trophy for women, with a mark of eighty-one targets smashed. She is but fifteen years old, but handled her gun like an old time veteran. She finished the day's run with 121. High professionals for the day were Homer Clark, with 150 straight, and John Taylor, with 132. J. Quincy Ward, of Paris, was high man in the doubles, with 48. The Kentucky State Challenge Cup, and the Kentucky State Amateur Championship at single targets, were the leading events of yesterday's meetings.

Export shooters were present at the meeting from Louisville, Anchorage, Versailles, Cincinnati, Covington, Newark, O., Indianapolis, Ind., New Albany, Ind., Chicago, Gallipolis, O., and other places, as well as many from Central Kentucky towns.
